After a hugely successful boys & girls wrestling camp last year, St. Mary's is proud to host again the Spatola Winter Camp for the 7th year! Over the years, with his unique and tailored approach for our Far East wrestlers, Coach Spatola's camp has proven to have a significant impact on the participants. He is one of the most passionate and effective coaches in the world who owns his own wrestling gym in the United States. Coaching wrestling is Coach Spatola's full time job. This camp is designed to strengthen freestyle wrestling techniques and tactics to any wrestler looking to improve their skill set. Coach Spatola has developed a proven camp system and has helped numerous wrestlers of all ages and backgrounds. NCAA champion & World Champion, Logan Stieber, and All-American, Hunter Stieber, and World bronze medalist and 2024 Olympian, Mason Paris, are just few of the notable wrestlers to come out of his camps. He has also worked with top level college coaches and international wrestlers including Kyle Snyder, World & Olympic Champion. His unique style focuses not only on technique but teaching youths how to be an all-around athlete on and off the mats. He will cover the importance of education, nutrition, flexibility, strength & conditioning, and how to be mentally tough when it counts. The goal for this camp is to teach wrestlers the tools it takes to become a championship wrestler. Coach Spatola has been involved with wrestling for over 30 years and is committed to helping wrestlers reach and exceed their goals.
